Central School District Student Extracurricular Activities Participant Alcohol and Illegal or Performance Enhancing Drugs Contract

Statement of Purpose and Intent:

Participation in school sponsored extracurricular activities at the Central School District is a privilege and not a right. Such privilege is governed by the attached Central School District Policy on Testing for Alcohol and Illegal or Performance Enhancing Drugs (the "Policy"). Alcohol and illegal or performance enhancing drug use of any kind is incompatible with participation in extracurricular activities on behalf of the Central School District. Students who participate in activities are respected by the student body and are expected to hold themselves as good examples of conduct, sportsmanship and training. Accordingly, student extracurricular activities participants carry a responsibility to themselves, their fellow students, their parents and their school to set the highest possible examples of conduct, which includes avoiding the use or possession of alcohol or illegal or performance enhancing drugs.

Participation in Extracurricular Activities:

For the safety, health and well-being of the students of the Central School District, the Central School District has adopted the attached Policy and this Student Extracurricular Activities Participant Alcohol and Illegal or Performance Enhancing Drugs Contract (the "Contract") which shall be read, signed and dated by the student, parent or custodial guardian and sponsor or coach before such student shall be eligible to practice or participate in any extracurricular activity. No student shall be allowed to practice or participate in any extracurricular activity unless the student has returned the properly signed Contract.

I understand after having read the Policy and this Contract that, out of care for my safety and health, the Central School District enforces the rules applying to the consumption or possession of alcohol and illegal or performance enhancing drugs. As a student extracurricular activities participant, I realize that the personal decision that I make daily in regard to the consumption or possession of alcohol and illegal or performance enhancing drugs may affect my health and well-being as well as the possible endangerment of those around me and reflect upon any organization with which I am associated. If I choose to violate the Policy regarding the use or possession of alcohol and illegal or performance enhancing drugs any time during the school year, I understand upon determination of that violation I will be subject to the restrictions of my participation as outlined in the Policy.
