### Central Public Schools Athletic Event Guidelines (Basketball) 2020-21

Welcome to Central Public Schools. Below you will find information regarding your community's visit to our campus. In the current health climate, there are a number of unique challenges for schools to address as visitors come on campus.

#### Guidelines for Central Public Schools Gymnasium

In an effort to give our student athletes the best opportunity to participate safely in these very difficult times, we are asking your assistance in abiding by the following guidelines throughout the coming season.

- **All individuals who enter Central Public Schools facilities are required to wear a mask or facial covering at all times.**
- All nonparticipants must continue to wear the facial covering at all times unless eating or drinking.
- The first row of seating directly behind the player benches will be a restricted area and therefore unavailable for spectator seating.
- Spectators are directed to enter the facility through the front door of the high school only. Teams are directed to enter the facility through the southeast (back) door of the gymnasium. Please notify the athletic director's office of your team's expected time of arrival.
- Admission will be \$4 for all high school games and \$3 for all junior high and elementary games. The gate will open approximately one hour prior to the start of the first game. No one will be allowed inside the facility prior to the opening of the gate.
- Visiting teams will have designated seating areas from which to view the games while not participating.
- Cheerleaders are permitted but CHS asks that the squad is limited to no more than eight members in an effort to socially distance from spectators and basketball players.
- Visiting teams will be offered a locker room area.
- Participants will not be allowed to share towels, water bottles and other personal items.
- All spectators are expected to exit the facility immediately following the conclusion of the last game.

Thank you for your understanding and cooperation.
